ACEC
AMERICAN COUNCIL OF ENGINEERING COMPANIES

ACEC 101: Your Membership Guide

What is ACEC?

Purpose Values Vision Strategy

LEARN MORE ▶

The **American Council of Engineering Companies** is the business voice of America's engineering & design services industry.

ACEC represents nearly 6,000 firms employing more than 600,000 engineers, architects, land surveyors, highly trained specialists, and licensed professionals who design and improve our world.
Find Solutions at the State Level

The ACEC federation is powered by its 51 state and metropolitan **Member Organizations (MOs)**.

Each Organization provides focused advocacy, unique member benefits, educational resources and awards programs **tailored to the needs & interests of the engineering & design industry in that state.**
